

The Worshipful Company of Weavers

Weavers' Almshouse Charities

Charity Number: 245453

Notes for Applicants **Weavers' House, New Wanstead, London E11 2SZ**

The following information is enclosed:

1. General Information for Weavers' House
2. Criteria for the Selection of Residents
3. Application form
4. Medical questionnaire

The Company maintains a waiting list for vacant flats but gives priority to applicants in greatest housing need.

We would recommend that applicants also register with Redbridge Council for support with housing as we are unable to give a clear indication of when there might be a vacancy, or whether or not an offer of accommodation will ultimately be made.

All applicants must meet the Company's admission criteria and be interviewed by a representative of the Company before they can be considered for any vacancy.

Each time a vacancy arises, we consider all applicants on their merits, so preference is not necessarily given to those who have been longest on the waiting list.
